STAFF WRITER

For those men and women looking to experience European-style pampering in the heart of Coral Springs, there is no need to search any further than Le Boe European Day Spa.

Under new ownership since November 2006, the 10-year-old Le Boe offers a wide variety of spa services guaranteed to make clients feel like they are receiving the royal treatment especially women.

“Our slogan is 'where wellness meets indulgence,' and we feel we live up to that,” said owner Robin Cook.

Le Boe's services include facials, massage therapy, body wraps, manicures and pedicures, hair design and hair extensions, waxing and makeup applications.

The 30-member staff Le Boe utilizes adds to the spa's European atmosphere.

“The majority of our staff comes from overseas, including such countries as Poland and Thailand,” Cook said. “It gives the spa a truly authentic touch.”

She added that different products are also available for sale at the spa.

“We have a full retail area in our front lobby where our waiting guests can browse beautiful jewelry and candles that we sell. We also sell a full range of complimentary beauty products, including a full line of Jane Iredale makeup that I just brought in,” said Cook. “It's a one-stop shopping place for a man or woman.”

Having formerly worked in training and marketing for a number of larger cosmetic companies, Cook's dream had always been to own a day spa.

“We had talked to others in the past about Le Boe and I would say to my husband that, if the owners ever put it up for sale, I would buy it,” Cook said. “Sure enough, we heard in July of last year that it was being sold and we negotiated to purchase it.”

The spa, once acquired by Cook, underwent major remodeling and renovation that included new laminated wooden floors and an expanded hair service area.

Besides Le Boe's enhanced look, Cook has increased the amount of staff and services available at the spa. Other new elements, such as workshops addressing topics that range from applying makeup to correcting chiropractic-based problems, will be coming soon.

“Our customers, whether those who went to the spa when it first opened 10 years ago or those who are brand new, love what we've done and are giving us good word-of-mouth,” Cook said. “That makes us happy knowing we are responding to our client's feedback.”

Le Boe European Day Spa is located at 9108 Wiles Road. Hours of operation are Monday-Tuesday from 9 a.m.-6 p.m., Wednesday-
